
ANTHC Individual Sanitation Facilities Project Application (Scattered Sites)

Requirements for Water and Sewer Facilities from ANTHC

***ALL PAGES OF THE APPLICATION NEED TO BE RETURNED TO ANTHC
Do not mail anything to the State of Alaska.***

1. Applicant must be Alaska Native or Native American. The application form must be completely filled out and submitted with all supporting documentation. Incomplete applications will be returned without further action.
2. The home must be the applicant's primary residence with no intentions of moving in the foreseeable future.
3. The applicant must hold legal control of the land and home through ownership, allotment, assignment, or leases and must be able to provide written documentation of such control. Assignment or lease periods must be for a minimum of 5 years.
4. The site must be economically and technically feasible for construction of suitable sanitation facilities.
5. The applicant must provide suitable site access for entry and exit.
6. The applicant or the Tribe will be expected to provide necessary rights-of-way for water and sewer construction.
7. The site must have electricity before water and/or sewer services are provided.
8. Mobile homes must be permanently set and anchored to a secure foundation, with all wheels removed, and completely skirted.
9. All homes must be structurally sound, including doors, windows, screens, roof, insulation, and siding.
10. All homes must have an automatic (thermostatically controlled) heating system to prevent freezing even when the occupants are not home. (such as a Toyo stove)
11. Campers and travel trailers are not eligible for service.
12. All homes must have functional plumbing and contain, at a minimum, one complete bathroom, a kitchen sink, and a water heater.
13. The homes must be new, newly acquired, or remodeled to "like new" condition. Mobile homes previously served by ANTHC and relocated from one site to another by the applicant are not eligible for service.
14. HUD/NAHASDA homes that have not been paid off are not eligible. Homes funded with HUD/NAHASDA that are fully paid off are eligible.

10. Directions to home site: _____

11. Legal description of home site: _____

- I certify the information provided in this application is true and accurate to the best of my knowledge. I have reviewed the attached ***Requirements for Water and Sewer Facilities from ANTHC*** and understand that the requested facilities will be provided only if this application meets funding eligibility and qualification requirements and funding is available to ANTHC.
- I understand that it is solely my responsibility to prepare my property for service. This includes relocating items in the yard and in the home as necessary to complete the installation. I understand ANTHC or its contractors will not move personal items and assumes no responsibility for any personal items requiring relocation.
- I certify that the residence listed is my primary residence and I plan to remain there indefinitely. ANTHC may seek reimbursement of its expenditures if the applicant sells the property within one year of installation with the intent to profit from the installation.
- I understand ANTHC has the right to stop service if ANTHC finds that information in this application is incorrect, or finds the worksite is unsafe for ANTHC employees or its contractors.
- The homeowner agrees to allow access to their property to ANTHC, the Village and/or City, for the purpose of planning, installing, and inspecting proposed facilities.

Archeology and Environmental Information

Dear Homeowner:

Federal funding that you are requesting in order to provide water and sewer service to your home requires an Environmental Review with regards to the National Environmental Policy Act, the Endangered Species Act, the Clean Water Act, and other Federal and State concerns. Our organization must follow these requirements. The ANTHC /DEHE is committed to protecting your land and culture.

- The State Historic and Preservation Office requires photographs of your home. Make sure you include them in your application.

Please answer the following questions:

1. Do you know of any plant or animal species on your property that is on the endangered or threatened species list? _____
2. Is your home or any building on your property, over 50 years old? _____
3. Do you know if any human burial sites have been discovered on or near your property?

4. Has there ever been artifacts of cultural significance discovered on or near your property?

5. Have bones or skeletal remains of extinct animals been found on or near your property?

6. Does your property contain any lakes, streams, rivers, ponds, or springs? _____
7. Is your home in a flood plain zone? _____

Homeowner's Name, Printed: _____

Homeowner's Name, Signed: _____
